## SOLI-TONE® Infinite Energy Therapy

### 無限極光嫩膚儀

Only available at Shifeon Robson

Cellular rejuvenation device  
that combines photobiostimulation,  
micro-currents and polarized currents.

#### Acne

#### Brown Age Spot

#### Redness

#### Photo-Damaged Skin

See a dramatic result with skin tightening, smoothing of wrinkles and rough spots, reducing acne, softening of redness and shrinking of pore size.

**LumiLift®** is a photo-rejuvenation and non-invasive treatment that combines the effects of **Light energy**, **Micronized currents** and **HF Polarized currents** to produce skin rejuvenation that is safe, comfortable, and effective. Aging occurs on three levels; epidermal, dermal, and in the muscle tissue beneath. Wrinkles, dull complexion and skin sagging occurs naturally as we age. Soli-Tone reaches deep into all three levels to rejuvenate skin tissue and lifts muscles, reducing your signs of aging rapidly and safely.

**\$155**

**LumiFacial®** Soli-Tone's LumiFacial® panel combines the interaction of **400 ESLED's** (Light therapy with specific wavelengths)- each well absorbed by skin tissue - proven to provide extraordinary therapeutic and repairing effects. When applied with the necessary power density and duration, each color has a unique and direct impact on the cells responsible for skin problems. **Soli-Tone** is the most efficient and powerful unit for light treatment available today.

**\$90**

60mins

The **LumiFacial® treatment targets** skin conditions like:

- Acne prone skin
- Redness and Couperose skin
- Pigmentation problems
- Photo-aging
